EXECUTIVE SUMMARY

22 September 2008

(U) Frederick County's Entrepreneur Support Network – (ESN) (U) (MCMR-AAU).

The USAMRMC Office of Small Business Programs (OSBP) Associate Director participated in the subject event on 22 September in which approximately 180 people were in attendance representing local business leaders and organizations. The Fort Detrick Business Development Office also participated in this event. Collectively, we provided an abbreviated overview of our respective offices and encouraged prospective contractors to ensure their product, service or business solution is relevant to the global mission of USAMRMC and other mission partners on the installation.

Our continued active participation in these types of economic development and business focused venues underscore how USAMRMC OSBP, USAMRAA and Fort Detrick Business Development Office are integral to the business development in the county and state.
