EXECUTIVE SUMMARY

14 April 2010

(U) Minority Serving Institutions Research Partnership Consortium Conference (MSIRPC) (U) (MCMR-AAU).

The USAMRMC and Fort Detrick Office of Small Business Programs Office attended and actively participated in the subject Conference, which was hosted by Morgan State University at the Renaissance Baltimore Harbor Place Hotel. The theme for this year's conference was "Collaboration To Strengthen Research Funding Through Partnerships and Networking."

During the day's events, the USAMRMC OSBP along with Dr. John. F. Glenn (Principal Assistant for Research and Technology) and Dr. Theresa Miller (Program Manager, Congressionally Directed Medical Research Programs), were key note speakers during the morning of the 14 of April. They also participated in a panel discussion. There were approximately 200 people in attendance representing academia, industry and small businesses.

Collectively, our participation and active involvement in this premier event highlights the command's long standing commitment towards supporting Historically Black Colleges and Universities and Minority Institutions (HBCU/MI).
