EXECUTIVE SUMMARY

23 April 2009

(U) 19th Annual Office of Small and Disadvantaged Business Utilization Conference (U) (MCMR-AAU).

The USAMRMC Office of Small Business Programs attended and participated in the 19th Annual OSDBU Conference, which was held on 22 April at the Dulles Expo Center, Chantilly, Virginia. This year's event was the largest ever, with over 3,200 participants. Participants included key representatives from Government, Industry and Academia.

The purpose of the conference is to provide networking, educational and federal government procurement opportunities for large and small businesses, prime and subcontractors. Our active participation in this event underscores USAMRMC and Fort Detrick's consistent commitment to increase contract/grant awards opportunities to the many categories of small businesses and Historically Black Colleges and Universities and Minority Institutions.
