EXECUTIVE SUMMARY

29 June 2007

(U) 3<sup>rd</sup> Annual National Veteran Small Business Conference & Expo (U) (MCMR-AAU).

The US Army Medical Research and Materiel Command's (USAMRMC), Deputy Associate Director, Office of Small Business Programs attended and participated in the 3<sup>rd</sup> Annual National Veteran Small Business Conference that was held in Las Vegas, Nevada, 25-28 June 2007.

This conference focused on a variety of relevant business topics that are designed to assist veteran and service disabled veteran owned small businesses in their ability to compete for federal procurement opportunities at the prime and subcontracting levels. USAMRMC will continue to comply with the various public laws and work towards trying our best to meet or exceed the 3% contracting goal for FY 2007. The USAMRMC and Fort Detrick Installation are very supportive of the many significant contributions made by our veteran entrepreneurs and will continue to focus on ensuring open access to procurement related information and opportunities. Additional information regarding this conference can be found by visiting <http://www.sellingtoarmy.info>.
