EXECUTIVE SUMMARY

7 July 2004

(U) Western Maryland Hispanic Chamber of Commerce (U) (MCMR-AAU).

The US Army Medical Research and Materiel Command's Associate Director, Small and Disadvantaged Business Utilization, attended and provided a briefing to the Western Maryland Hispanic Chamber of Commerce on 7 July 2004. The ADSADBU briefly summarized the various procurement opportunities available within USAMRMC, including those associated with the other procurement activities on the installation (i.e., Fort Detrick Contracting Community).

The ADSADBU will continue to participate in these types of forums as a means to empower Hispanic businesses that are interested in providing relevant products and services that coincide or compliment the varied mission of USAMRMC.
