

Fiscal Year 2016 Supplemental Acquisition Forecast

Fiscal Year 2016 Supplemental Acquisition Forecast

Disclaimer: Title V, of P.L. 100-656 requires that Federal agencies make available its procurement forecast to the Small Business Administration (SBA), and to interested business owners. The forecast listing is not intended to be all-inclusive. The forecast is one many tools available to small businesses. All projected procurements are subject to revision or cancellation. Final decisions on the extent of competition, small business participation, estimated value, or any aspect of the procurement action will not be made until each procurement is initiated. The forecast data is for planning purposes, does not represent a pre-solicitation synopsis, does not constitute an invitation for bid, or request for proposal, and is not a commitment by the government to purchase the desired products and services. Actual solicitation notices will be posted on FEDBIZOPPS.GOV as prescribed by the Federal Acquisition Regulation.

**OFFICE of
SMALL BUSINESS PROGRAMS (OSBP)**
U.S. Army Medical Research and Materiel Command

**> EXCELLENCE
> ENCOURAGING**

**> EMPOWERING
> EDUCATING**

- > Forging strategic business alliances
- > Providing maximum opportunities for various small businesses to compete for procurements
- > Supporting small businesses, Historically Black Colleges and Universities and Minority Institutions in their quest to provide relevant products, services and solutions
- > Integrating medical research, acquisition, logistics and technology that protects, projects and sustains our nation's warfighter
- > Committed towards Historically Black Colleges and Universities, Minority Institutions, Hispanic Serving Institutions and Tribal Colleges and Universities who actively participate and compete for various contract/grant funding opportunities within the Department of Army
