

February 2016 Newsletter

Volume 22, Issue 1

Welcome

As the USAMRMC/USAMRAA OSBP, we remain committed to meeting our established small business targets/goals, while maximizing opportunities for reputable and innovative small business firms as either prime or subcontractors.

We are pleased to have both a USAMEDCOM FY 16-18 Acquisition Forecast, and FY16 USAMRMC/USAMRAA Supplemental Forecast via our website for public viewing. These documents help promote communication and transparency to our internal and external stakeholders.

Small Business Targets & Metrics: As of January 2106, we received from USAMEDCOM our FY 2016 small business targets/goals. Our noteworthy achievements during FY14 and FY15 are the result of synergistic efforts between multiple organizations, the US Army Medical Research Acquisition Activity, PMs, acquisition workforce personnel, SBA representatives/PCR, senior leadership from DoD and Army OSBP, USAMEDCOM, USAMRMC, and the many small business firms who have competed and won contracts. Our FY 16 Targets are expected to be accessible via www.mrmc.smallbusopps.army.mil before the end of this month.

Future Small Business Outreach Events:

March– November 2016 (Monthly) Military Health System Vendor Day
<https://www.dmsb.mil/VDay/vendorDay.asp>

19-20 April 2016 NDIA 6310 –Medical Research, Development and Acquisition in Support of the Warfighter. Turf Valley Hotel and Conference Center, Ellicott City Maryland. <http://www.ndia.org/meetings/6310/Pages>.

Sincerely,

Jerome K. Maultsby

Assistant Director, OSBP

Website & Current Information

<http://mrmc.army.mil>

We remain mindful that having access to current information is critical in helping businesses (large or small) determine whether they should consider pursuing anticipated government procurements. Accordingly, we will continue to provide relevant information via the website for use by government, industry, and academia. Please visit the website to learn more about: Fiscal Year 2016 Small Business Targets; Acquisition Forecasts, Department of Army Small Business Policy, and other pertinent information. Have a suggestion? We welcome your feedback.
