Dear Dr. _____

I am pleased to advise you that the Membership Review Committee & Scientific Leadership Council have met and approved your application for membership at the H. Lee Moffitt Cancer Center & Research Institute. You have been approved as a *Member*. As a result of your appointment, you will be receiving a Moffitt Cancer Center Membership Program certificate shortly and the monthly newsletter, Membership Update.

Benefits available to you as a Cancer Center member include use of shared resources, potential allocation of space, and invitations to lectures, symposia and retreats.

As you know, the Membership Program draws together University of South Florida faculty with cancer related interests in a common framework. I look forward to working with you in this collaborative effort.

Sincerely,
